

**REAL ESTATE STRATEGIES INSTITUTE, INC.
CREDIT CARD SUBSCRIPTION AUTHORIZATION**

I authorize Ronald M. Ballard Attorney at Law to process my credit/debit card listed below for my monthly subscription to Real Estate Strategies Institute, Inc. to be charged on the basis shown below. I understand that the primary benefits of the subscription are a legal forms system, an online forum and other white papers, bulletins, webinars and similar information and training products. Core content is typically expanded and/or updated at least monthly. This is not an active coaching program, although questions are handled on the forum (preferred) on a non-rush basis. Specific advice from Ronald Ballard is available on an hourly fee basis as a client of the Ballard Law Office.

I understand that all materials are subject to copyright ownership claims by RESI. Content is being licensed for use, not sold. **By subscribing, I agree that the content will be used only for the operations of one primary investment business or real estate licensee.** Subscriptions include a license for use and are subject to the Terms of Use found at <http://www.theresi.com/notices/terms-of-use/>. Additional businesses (such as multiple agents in the same brokerage) are to obtain and use their own subscription (group rates may be arranged). Separate arrangements must be made before using the content as part of any coaching, training or educational system, other than training the members, employees and other integral personnel of the primary business (such as an investor's buyer's agent for the investor's deals only). *Charges handled manually (like this) are subject to a \$3 monthly processing fee (unless online systems are down or payment limits have been exceeded).* Refund policy is found at <http://www.theresi.com/notices/refund-policy/>.

Online orders (presently using AlertPay) avoid the \$3 monthly processing fee. The first month's charge is refundable by email or fax request made within 120 hours of activation of a membership and only if the member promises to destroy all copies and not use any of the content. Monthly subscription charges may be canceled at any time by email or fax request received **before** your charge is entered. Charges are paid in advance (not arrears). Each month is non-refundable once charged. Monthly charges are made on the same day of the month as the initial charge (or on the last day of the month if the initial date is 29, 30 and 31 and the month has fewer days). I authorize the following charges:

My first month's one time charge amount is: \$ _____. My ongoing monthly charge amount is: \$ _____
